1. The firms identified as EBE by the vendor on the EBE participation form must be certified by the City of Milwaukee's Emerging Business Enterprise Program prior to bid opening.

2. The contractor shall be credited for the entire expenditure to EBE firms only if all of the identified scope of work is performed directly by the certified EBE firm.

3. The contractor shall be credited for the entire expenditure to a EBE manufacturer only if the manufacturer produces goods from raw materials or substantially alters them for resale. Only 20% of the EBE participation may be extended for EBE suppliers that do NOT manufacture the products they supply.

4. The contractor shall count only the EBE requirement of expenditures to EBEs that perform a commercially-useful function in the actual work of the contract. EBEs are required to notify the Business Operations Division, Procurement Services Section if they subcontract out work on this project, to ensure that they perform a commercially-useful function. The Business Operations Division, Procurement Services Section will make the final determination and evaluation of whether or not the EBE is performing a commercially-useful function on this project.

C. Vendors should submit a completed EBE Participation Form (Form A) and Affidavit of Compliance (Form B), which meet the minimum EBE % participation specified utilizing City certified EBE's with the bid.

1. Information on the Form (A) shall include, but not be limited to:

a. The name, address, contact person and telephone numbers for the certified EBE firms that will participate on the bid as subcontractors or suppliers.

b. A description of the scope of work to be performed by the EBE (s) on this bid.

c. The EBE contract dollar value and corresponding percentages that the dollar value represent of the total contract amount.

d. The EBE (s) owner/or authorized representative acknowledgement signature.

2. The listing on the EBE Participation Form (A) shall constitute a representation that the contractor has communicated directly with the EBE(s) listed. If the vendor is awarded the contract, they will enter into a subcontract with the certified firm (s) for that portion of the work listed at the designated price(s) set forth.

3. EBE participation is an element of bid responsiveness. Failure to meet the specified EBE requirements will render the bid unresponsive, and the Business Operations Division, Procurement Services Section may then recommend award to the next apparent low bidder.

4. Only EBE(s) that have been EBE City certified by the Emerging Business Enterprise Program may be listed on the EBE Participation Form and counted towards the percentage requirements on this project. A listing of the current CITY certified EBE firms is maintained at:
